

ASHLEY K. AVEN FOUNDATION

LOCAL MEADOWDALE SENIOR FIGHTING CANCER

Meadowdale High School senior Ashley Aven has been fighting AML LEUKEMIA since July 8th, 2009. As of the first of the year she has come home to rest. Any donations to her foundation would be much appreciated by her family, since both parents are staying home to spend their last precious moments with their daughter. She is lucky that the MAKE A WISH FOUNDATION will be sending her to Disneyland in a couple weeks but the trip must be scheduled quickly, while Ashley can still get around.

Donations can be made at any Wells Fargo branch to the Ashley K. Aven Foundation.

Our thanks go to Wells Fargo Bank. With lots of love and prayers — The Aven Family.
